5. What is your timeframe/when ideally would you like to complete the SSP?

Please note we do not recommend completing the SSP during periods of big life changes, e.g., marriage dissolution, loss of loved ones, new school/job transitions, moving/relocating.

NDIS Plan Details (if applicable)

NDIS#

NDIS Plan start date:

NDIS Plan end date:

Please let us know if you know how many hours or the allocated budget of supports you would like allocated to WHR Allied Health supports.

New clients: 23.5 hours of occupational therapy supports (includes OT Initial Assessment) – \$4,558.76

Access to the SSP is \$100 per course for one week (some individuals may be recommended or choose to complete the SSP Balance program after 6 weeks, which will incur a second \$100 fee).

NDIS Plan Goals:

Please advise how your invoices will be managed, circling your preference as reported to the NDIA:

- Self-managed
- NDIA managed
- Fund Management Provider, if so, please name the FMP:

Once we have a signed Service Agreement in place, we will provide you and the FMP with a copy so that any support hours will be quarantined to WHR Allied Health and not unintentionally accessed by another service provider without consent. In addition, where the plan is NDIA managed, we will create a Service Booking on MyPlace based on the Service Agreement details.

Is funding available in your NDIS Plan under 'Improved Daily Living'?

Yes

No

If not, you will need to be either self/plan managed to claim OT supports. Alternatively, you can self-fund WHR Allied Health supports.
